

NOTE: Until paired with a Bluetooth device, this unit automatically enters Bluetooth pairing mode when the **Power Button** is pressed. While in pairing mode, button controls are disabled for up to 3 minutes while the unit attempts to connect to a device. To cancel Bluetooth pairing and allow normal button operation, press the **Bluetooth Pairing Button**.

To reinitiate pairing, *press and hold* the **Bluetooth Pairing Button** for 3 seconds. For full pairing instructions, see the user manual.
