## WELCOME

Thank you for choosing the iGV1 Stereo Speaker from iHome.

## GETTING STARTED

This unit ships with the following items. Please check to see that all items are present.

1. iGV1 stereo speaker
2. Universal AC power adapter

1. iGV1 speaker

2. AC adapter

# FEATURES & FUNCTIONS

## Play/Pause Button

Press to play/pause audio.

## Mute Button

Press to mute microphone.

## Bluetooth Button

Press to enter Bluetooth mode to pair devices.

## Volume Buttons

Press to adjust volume levels up or down.

## Track Buttons

Press to skip to next or previous track.

## ZZZ

### Snooze/Display Dimmer Button

Press to cycle through six display dimmer settings: High, 4, 3, 2, 1, and OFF.

When alarm sounds, press to Snooze for 10 minutes.

### Google Home Button

The iGV1 features far field voice recognition. Google Assistant function can also be triggered by tapping the Google Home Button. Download the Google Home App to manage your device.

# FEATURES & FUNCTIONS

## USB Port

While unit is connected to AC power, connect USB cable to charge devices

## CONNECTING THE IGV1

Plug the included AC adapter into the DC jack on the back of the unit and connect the plug to a working outlet not controlled by a light switch.

# DISPLAY

## GOOGLE ASSISTANT

● ● ● ● = microphone muted

Press  to mute or unmute the microphone.

## VOICE ACTIVATED ALARMS

- **Setting An Alarm:** You can set an alarm on the iGV1 by voice command. Once set, the alarm will show on the display.

- If you set a new upcoming alarm, it will show on the display AFTER the first alarm sounds.
- **Turning Off An Alarm:** When an alarm sounds, you can turn it off via voice command, or by pressing the Play/Pause button.
- **Snooze:** You can snooze an alarm via voice command, or by pressing the Snooze button.

# SETTING UP THE APP

- 1 Download the **Google Home app** from the App Store or Google Play.

- 2 Follow in-app instructions to set up iHome iGV1 on your Wi-Fi network.

- 3 Done! Now you can talk to your Google Assistant by saying, 'OK, Google!'

Visit [assistant.google.com/explore](https://assistant.google.com/explore) to learn more

## Connection Tip:

Some routers may feature Protected Management Frames. Disable this feature if your router has it enabled.

# BLUETOOTH MODE

Note: You cannot set up a Bluetooth connection until the Google Home app is connected to the iGV1. The app set-up is a one-time process. (See previous page for app info.)

## PAIRING

Pairing establishes a unique communication connection between the unit and your Bluetooth device. Once paired, you will be able to stream audio wirelessly to the iGV1.

1. Turn on your Bluetooth device and make it “discoverable” by turning on Bluetooth mode (check in Options or Settings).
2. Say ‘Ok Google, pair Bluetooth’, and follow the voice prompts to complete set-up.

\* Your device should stay within a range of about 33 feet to maintain a Bluetooth connection.

## PLAYING AUDIO VIA BLUETOOTH

1. You can manually play music by using the controls on your Bluetooth-enabled smartphone.
2. Press and release the **« » Volume Buttons** on the iGV1 to adjust speaker volume. You may also need to adjust the output volume on your Bluetooth device.

# FIRMWARE UPDATES

Periodically, iHome will send firmware updates ‘over the air’ that will automatically install new features and services to the iGV1. This process occurs via Wi-Fi and usually takes 3-10 minutes depending on connection speed and file size. A firmware update is in progress when the Google Assistant indicators on the iGV1 display flash white from left to right.

The unit will automatically reboot once the update is complete.

**DO NOT UNPLUG THE UNIT DURING A FIRMWARE UPDATE. DOING SO MAY DAMAGE THE UNIT.**

## MAINTENANCE

- Place the unit on a level surface away from sources of direct sunlight or excessive heat.
- Protect your furniture when placing your unit on a natural wood and lacquered finish. A cloth or other protective material should be placed between it and the furniture.
- Clean your unit with a soft cloth moistened only with mild soap and water. Stronger cleaning agents such as thinner or similar materials can damage the surface of the unit.

## RESETTING THE UNIT

Press and hold the Mute Button for 10 seconds to reset the unit. A voice prompt will confirm the unit has been reset.

# FCC INFORMATION

iGV1

FCC ID:EMOiGV1  
IC:986B-iGV1

## FCC Radiation Exposure Statement

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.

**This device complies with Part 15 of the FCC Rules, operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.**

- Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAN ICES-3 (B)/NMB-3(B)

## Canada Statement

This device complies with Industry Canada's license-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device may not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage;
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 and compliance with RSS-102 RF exposure, users can obtain Canadian information on RF exposure and compliance.

Le dispositif rencontre l'exemption des limites courantes d'évaluation dans la section 2.5 de RSS 102 et la conformité à l'exposition de RSS-102 rf, utilisateurs peut obtenir l'information canadienne sur l'exposition et la conformité de rf.

# TROUBLESHOOTING

<b>SYMPTOM</b>	<b>POSSIBLE REASON</b>	<b>SOLUTION</b>
Unit won't turn on	AC adapter isn't plugged into a working wall socket or not properly connected	Plug the AC adapter into a working wall socket and plug the AC cable into the DC jack on the unit. Make sure any associated wall switch that controls the outlet is ON.
Device does not respond to the unit and/or device is playing but no sound comes out/ unit doesn't respond	Unit is not properly connected to power source and/or device is paused	Try adjusting volume on unit and audio device. Make sure unit is properly paired to your device (check that iHome iGV1 appears in the Bluetooth menu).
Erratic performance	External interference	Move unit away from potential sources of external interference such as computers, modems, wireless devices (routers) or fluorescent light.
No sound	Volume is too low	Turn volume up on unit
	Volume is too high	Turn volume down on unit
Unit won't access Google Assistant	Wi-Fi is not connected	Make sure the iGV1 is connected to Wi-Fi. Use the Google Home app for setup instructions.

# IMPORTANT SAFETY TIPS

When used in the directed manner, this unit has been designed and manufactured to ensure your personal safety. However, improper use can result in potential electrical shock or fire hazards. Please read all safety and operating instructions carefully before installation and use, and keep these instructions handy for future reference. Take special note of all warnings listed in these instructions and on the unit.

1. Water and Moisture – The unit should not be used near water. For example: near a bathtub, washbowl, kitchen sink, laundry tub, swimming pool or in a wet basement.
2. Ventilation – The unit should be situated so that its location or position does not interfere with its proper ventilation. For example, it should not be situated on a bed, sofa, rug or similar surface that may block ventilation openings. Also, it should not be placed in a built-in installation, such as a bookcase or cabinet, which may impede the flow of air through the ventilation openings.
3. Heat – The unit should be situated away from heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat.
4. Power Sources – The unit should be connected to a power supply only of the type described in the operating instructions or as marked on the appliance. Only use the AC adapter that came with the unit.
5. Power-Cable Protection – Power supply cables should be routed so that they are not likely to be walked on or pinched by items placed upon or against them. It is always best to have a clear area from where the cable exits the unit to where it is plugged into an AC socket.
6. Cleaning – The unit should be cleaned only as recommended. See the Maintenance section of this manual for cleaning instructions.
7. Objects and Liquid Entry – Care should be taken so that objects do not fall and liquids are not spilled into any openings or vents located on the product.
8. Attachments – Do not use attachments not recommended by the product manufacturer.
9. Lightning and Power Surge Protection – Unplug the unit from the wall socket and disconnect the antenna or cable system during a lightning storm or when it is left unattended and unused for long periods of time. This will prevent damage to the product due to lightning and power-line surges.
10. Overloading – Do not overload wall sockets, extension cords, or integral convenience receptacles as this can result in a risk of fire or electric shock.
11. Damage Requiring Service – The unit should be serviced by qualified service personnel when:
  - A. the power supply cable or plug has been damaged.
  - B. objects have fallen into or liquid has been spilled into the enclosure.
  - C. the unit has been exposed to rain.
  - D. the unit has been dropped or the enclosure damaged.
  - E. the unit exhibits a marked change in performance or does not operate normally.
12. Periods of Non-use – If the unit is to be left unused for an extended period of time, such as a month or longer, charge the unit fully before storage
13. Servicing – The user should not attempt to service the unit beyond those methods described in the user's operating instructions. Service methods not covered in the operating instructions should be referred to qualified service personnel.
14. Magnetic Interference: This product's speakers contain powerful magnets which could cause interference or damage to sensitive equipment such as hard drives, CRT televisions and monitors, as well as medical, scientific, and navigational devices. Keep this unit away from these products at all times.

# LIMITED 1 YEAR WARRANTY

iHome Products, a division of SDI Technologies Inc. (hereafter referred to as SDI), warrants this product to be free from defects in workmanship and materials, under normal use and conditions, for a period of one (1) year from the date of original purchase.

Should this product fail to function in a satisfactory manner, it is best to first return it to the store where it was originally purchased. Should this fail to resolve the matter and service still be required by reason of any defect or malfunction during the warranty period, SDI will repair or, at its discretion, replace this product without charge. This decision is subject to verification of the defect or malfunction upon delivery of this product to the Factory Service Center authorized by Customer Service.

If service is required, please call Customer Service at 1-800-288-2792 to obtain a Return Authorization Number and shipping instructions. A copy of the sales receipt is required to validate in-warranty coverage.

## Disclaimer of Warranty

NOTE: This warranty is valid only if the product is used for the purpose for which it was designed. It does not cover (i) products which have been damaged by negligence or willful actions, misuse or accident, or which have been modified or repaired by unauthorized persons; (ii) cracked or broken cabinets, or units damaged by excessive heat; (iii) damage to digital media players, CD's or tape cassettes (if applicable); (iv) the cost of shipping this product to the Factory Service Center and its return to the owner.

This warranty is valid only in the United States of America and does not extend to owners of the product other than to the original purchaser. In no event will SDI or any of its affiliates, contractors, resellers, their officers, directors,

shareholders, members or agents be liable to you or any third party for any consequential or incidental damages, any lost profits, actual, exemplary or punitive damages. (Some states do not allow limitations on implied warranties or exclusion of consequential damages, so these restrictions may not apply to you.) This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Your acknowledgment and agreement to fully and completely abide by the above mentioned disclaimer of warranty is contractually binding to you upon your transfer of currency (money order, cashier's check, or credit card) for purchase of your SDI product.
