

# iHome™

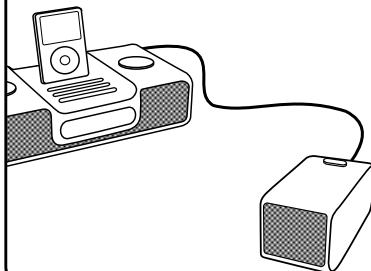

*Model iH8*  
**Extension Speaker**  
**For Your iH8**

## 1: connect

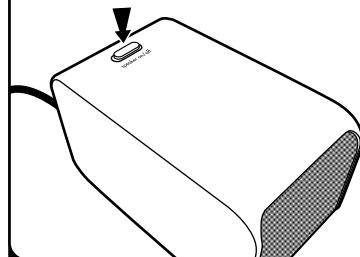

Connect cable from back of speaker to Extension jack located at rear of iH8

## 2: locate

Locate speaker as far as possible from iH8 unit for best stereo separation.

## 3: power up

Press the POWER button on the Extension Speaker. Note that doing so will disable the right speaker on the iH8.
